

# **RETINECY (RTNC) DISCLOSURES & DISCLAIMERS — AEGIS EDITION**

Public Risk Disclosure and Legal Disclaimer Document

## **1. GENERAL DISCLAIMER**

RTNC is a reserve-backed digital asset. Nothing within RTNC documentation, website content, or communication

should be interpreted as financial advice, investment guidance, or a guarantee of returns or price appreciation.

## **2. ROLE OF AEGIS**

Aegis is the permanent title of the Caretaker (CT). Aegis does not:

- provide investment recommendations
- guarantee profitability
- engage in private financial consultation
- custody user funds

## **3. NO INVESTMENT CONTRACT**

RTNC is not a security, investment contract, or speculative financial product.

No element of RTNC guarantees:

- profits
- dividends
- passive income
- appreciation in value

## **4. MARKET RISK DISCLOSURE**

Users must understand digital assets carry inherent risks:

- volatility
- market swings
- external exchange failures

- liquidity fluctuations

RTNC bears no responsibility for losses caused by market conditions.

## **5. MINING RISKS**

Mining RTNC involves technical and financial risks:

- hardware damage

- reduced lifespan of components
- declining rewards over time

Aegis does not guarantee mining profitability or performance.

## **6. RESERVE & PEG DISCLOSURE**

RTNC uses a mathematical reserve model:

Price Floor = Reserves ÷ Circulating Supply

While reserves provide stability, RTNC does not guarantee:

- a specific market price
- peg enforcement on external exchanges
- external liquidity

## **7. SOFTWARE & TECHNICAL RISKS**

Use of RTNC software, mining clients, or tools is at the user's own risk.

RTNC does not guarantee:

- uninterrupted uptime
- bug-free releases

- immunity to cyberattacks

## **8. USER RESPONSIBILITY**

Users are fully responsible for:

- securing their wallets
- protecting private keys
- maintaining mining hardware
- complying with legal obligations in their jurisdiction

Lost keys cannot be recovered.

## **9. NO CUSTODY SERVICES**

RTNC does not hold or manage user funds.

RTNC cannot reverse transactions or restore lost assets.

## **10. THIRD-PARTY DISCLAIMER**

RTNC is not responsible for:

- exchange failures
- wallet software bugs
- third-party integrations
- external liquidity pools

## **11. GOVERNANCE DISCLOSURE**

Aegis and the Governance Body cannot:

- alter emission
- change Core Pillars

- modify peg formula
- arbitrarily adjust reserves

Governance actions are limited to transparency and operational oversight.

## **12. FUTURE FORWARD-LOOKING STATEMENTS**

Any statements discussing future plans, improvements, or expansion are not guarantees.

They represent intent, not obligation.

## **13. LEGAL COMPLIANCE DISCLAIMER**

RTNC strives to comply with applicable regulations.

Changes in law may require updates to documentation, operations, or governance mechanisms.

## **14. CONTACT**

For regulatory, compliance, or legal inquiries, contact RTNC through official public channels.

Aegis does not provide private communication regarding investments or personal financial matters.
